CARE HOME

Dear friends

We have had a wonderfully active start to the new year and as spring has bloomed there have been so many events to celebrate! Here's what our spritely residents have been up to recently.

Easter time

Easter was spent in the most perfect company, amongst new born chicks hatched within our home and visiting the baby goats, lambs, calves and piglets at Farmer Gows! Our residents had a wonderful time feeding the barnyard animals and enjoying a picnic lunch with friends. This followed a wonderful Easter weekend of activities making Easter bonnets, enjoying a family brunch of hot cross buns and fruits and pastries before the Easter Bunny did their rounds handing out chocolate eggs! The visiting grandchildren even took part in an Easter Egg hunt in the garden, which was joyful to watch.

Mother's Day

To celebrate Mother's Day, we hosted a very special Downton Abbey themed Afternoon Tea with friends and family! Then our team arranged for each resident to have a family photo shoot with their loved ones, inviting a professional photographer to capture some heart-warming photographs on Mothering Sunday. It was a wonderful day of joyful celebrations and happy mementos. And just to make things extra special, we ran a competition to win a stunning bouquet of flowers - just the pampering our mothers deserve.

Spring days out

Now that the weather is milder and the days are brighter, we have been enjoying some wonderful days out. We went to watch the students perform at the Radley College Concert, and visited both the Oxford University and the Pitt Rivers Museum of Natural History looking at dinosaur bones and fossils. For 'Wish Wednesday' we took our residents to the Antique Centre followed by afternoon tea and had a wonderful trip down memory lane at the Milestone Museum. Of course, our residents don't have to go far to have fun, and back home we hosted a colourful Silent Disco before spending quality time with our Little Bears intergenerational playgroup for Comic Relief, which had everyone in fits of laughter!

Coronation Celebrations

For the Coronation of His Majesty, King Charles III, our home came together with friends and family for a wonderful weekend of parties, music and sumptuous food and drink! On Saturday we watched the Coronation live on television with a refreshing glass of bubbly. Then on Sunday we hosted our Big Lunch Street Party with resident's friends and family joining us! It was a joy to see residents playing and dancing, as we sang along to live entertainment from our favourite local performers. But the fun didn't stop there, and Monday was our Big Help Out Afternoon Tea Party where we celebrated our home's wonderful volunteers. What a weekend!

With love,
Marta Leszko
