Bridge House
CARE HOME

Dear friends,

With a fresh new season upon us, our home is bursting with brightness and vibrancy! Take a glimpse into our delightful spring escapades in our latest newsletter.

Love is like a butterfly

Have you heard about our Butterflies Memory Café? We have created a special place to provide a friendly and welcoming space where people living with dementia can enjoy spending time together, alongside carers and members of the community. Our team has made connections with 63 community organisations, so there is always lots going on, from flower arranging and craft workshops, games and fitness, to bingo and quizzes, with lots more activities to come! We also offer training and support workshops for carers and family members, ensuring they receive the necessary tools and resources to provide the best care for their loved ones.

A Hoppy Easter

Easter is always a wonderful time of year for everyone at Bridge House. For this year's celebrations, we were joined by the White Rabbit from Alice's Adventures in Wonderland. Our floppy eared friend invited our residents down the rabbit hole into a magical wonderland where they received delicious chocolate treats. We also held a Mad Hatter's tea party to round-off the fun. A big thank you to our team who went above and beyond to make it an egg-cellent Easter for everyone.

Welcome to the world

“Thank you to everyone who sent their congratulations on the birth of my daughter, Lilliane, who was born on Wednesday, March 6th weighing 6lbs 8oz. I am taking a break from my duties as home manager, but I was delighted to return to Bridge House with my beautiful baby to introduce her to the residents and the rest of the team. It was a wonderful moment to be able to show her off to everyone, and the residents absolutely adored meeting her. We are totally in love with Lilliane and are looking forward to a lifetime of special memories with her.”

Home Manager, Marta Leszko

Dolling out creativity

Our Dolls' House Club has been a fantastic addition to our home with residents showing off their artistic talents. After finishing up Bridge Stores last month, which we sold off for charity, we've got a huge new dolls' house for our residents to decorate, and they were all very excited to get to work. Everyone is getting involved with painting, decorating, and knitting things for the house. It is looking splendid so far and we can't wait to see how it turns out.

With love,
